

Defence:

DAHER presents its new offer for the Defence sector

Following the integration of SOCATA in January 2009,

Paris, April 14, 2009 – Following SOCATA's arrival within the group, DAHER has become a key European player in the Defence sector. DAHER has confirmed its place as an equipment manufacturer and service supplier for the entire supply-chain, specialized in working with peacekeeping forces and industrial groups alike.

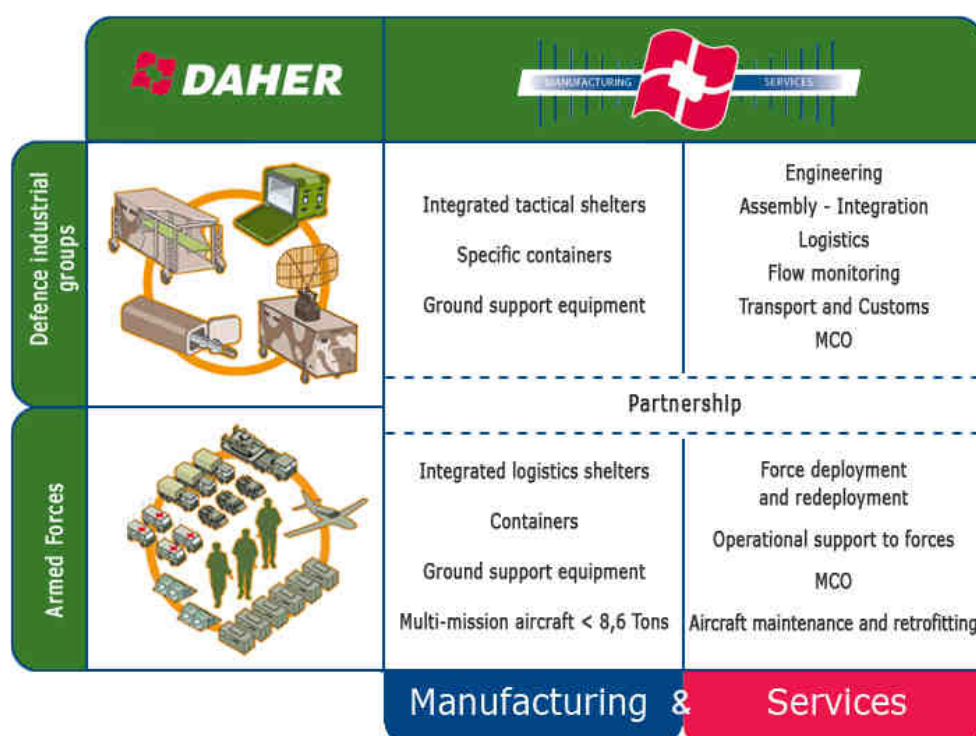

With its range of expertise, DAHER has consolidated its offer of services for each segment within the sector.

For the **Defence industry**, DAHER offers a wide range of products and services:

- Fully equipped integrated shelters adapted to their end mission (territorial control, transmission, head-quarters, weather stations, etc.)
- Specific containers which meet the constraints of each programme (weapons systems, aircraft or helicopter engines, etc.)
- Ground support equipment tailored to the requirements of defence groups (handling trolleys and dollies, maintenance fixtures, tooling, etc.)
- Multi-role aircraft and in-service support
- Logistics services delivered at, or in proximity to, industrial sites
- Transportation of all types and management of associated customs operations

For the **Armed Forces**, DAHER offers:

- Integrated logistics shelters catering to the needs of a military camp (accommodation, catering and hygiene facilities, offices, workshops, communal areas, etc.)
- Integrated technical shelters (water treatment and distribution, field hospitals, etc.)
- 19"-rack or standard rack containers for storage and transportation of special equipment
- Multi-role aircraft and in-service support
- Provision of a wide range of logistics services
- Transportation for OPEX (External Operations): deployment of forces, major replacement, redeployment and supply in theatres of operations.

About DAHER

DAHER is a European integrated equipment and services supplier.

DAHER specializes in the Aerospace, Nuclear, Defence and Industry sectors and offers “manufacturing and services” solutions combining three areas of expertise (manufacturing, services and transport) in a global offer.

Founded in 1863, DAHER is an independent, international Group. With the arrival of SOCATA in January 2009, DAHER now has some 7,000 employees in 12 different countries: seven sites in Europe, two in North America, two in Africa and one in Australia.

DAHER has tripled its turnover in the six years (2003 to 2009).
